XIAMEN PESHON SANITARY CO. LTD

304 stainless steel sanitary ware manufacturer

ELEGANT BUT NOT SIMPLE!

XIAMEN PESHON SANITARY CO.LTD is dedicated to the exquisite and perfect 304 stainless steel and 316 stainless steel faucets!

It was founded in 2001, located in Shuixian Road, Xiamen city, Fujian province, which is known as "Plumbing sanitary ware base of China".

In the past 24 years, Peshon has created a blueprint with its professional product design and technological development.

It has become a professional manufacturer, specializing in the production of 304 stainless steel and 316 stainless steel sanitary ware. And integrating with research & development, mold manufacturing, production and marketing.

Products include exposed shower, concealed shower, thermostatic shower, bathtub faucet, pull-out kitchen faucet, touch-sensitive faucet, basin faucet, bidet spray basin sink, kitchen sink and other accessories.

Both 304 stainless steel and 316 stainless steel are high hardness and durable materials, which is anti-corrosion, rust resistance and can adapt to various harsh environments.

Mature technology of casting, control of details and advanced CNC bring up high quality products. Multiple series and abundant colors satisfy different customer's demands.

Some of series are in hot sale, and colors include brushed nickel, matt black, matt white, brushed gold, brushed rose gold, copper rose gold, mirror, gun grey, gun black and so on.

Kinds of color processing is one of our advantages, for gold and rose gold color, we use PVD, for gun grey and gun black color, we use galvanic plating, while for matt black color, we use stoving varnish or galvanic plating.

We face to high-end markets such as North America, Oceania and Europe and , in order to meet the market requirements, we apply for certificates such as cUPC, WaterMark, NSF, CEC and CE, and we will apply for more in the future to cover the markets widely.

Besides, Peshon adheres to independent design and obtains more than 10 product patent certificates. With high quality and good service we received a lot of recognition and praise from customers.

In the future, Peshon will continue to uphold the independent design and the strict processing technology to display more and more 304 stainless steel and 316 stainless steel sanitary wares for customers.

Elegant but not simple!

Peshon is looking forward to meeting you!
